2018 ANNALYCE
NAPA VALLEY

Much like a bright, warm summer is dreamed about during the cold winter months, Annalyce Rosé is always highly anticipated by the entire extended DAV family. Summer in a bottle is how some people describe this thirst-quenching wine; happiness and delight is how we describe it! And that is exactly what Laura Long brought to her grandmothers, Anne and Alyce, when their names were combined and given as her middle name; Annalyce. Crisp, fruit-forward and refreshing, this wine exudes everything we love about friends, family and outdoor living!
